

# The National Plan for the Management of Shortages of Immunoglobulin Products (Ig) – Interim Guidance

Version July 27, 2020

In May 2020, the National Advisory Committee on Blood and Blood Products (NAC) and the CBS-PTBLC tasked the Secretariat of the National Emergency Blood Management Committee (NEBMC) with developing the interim Ig plan within a 3-month timeframe (by mid-July 2020). The development of the plan was overseen by a steering committee who met bi-weekly to review the progress of the work, provide advice, and subject matter expertise:

## Steering Committee Members:

- Dr. Oksana Prokopchuk-Gauk, NAC Chair
- Dr. Alan Tinmouth, NAC Vice-Chair
- Corinne Rowswell, Lead Province Ministry of Health representative
- Dr. Isra Levy, VP, Medical Affairs & Innovation, Canadian Blood Services
- Dr. Kathryn Webert, Medical Director, Plasma, Canadian Blood Services
- Lindy McIntyre, Director, Government Relations, Canadian Blood Services
- Cheryl Doncaster, Director, Strategy Planning and Integration Management, Canadian Blood Services
- Sally Bean, Director, Health Ethics Alliance & Policy, Sunnybrook Health Sciences Centre
- Rosanne Dawson, Managing Counsel – Health Law, Ethics & Policy, Legal Services, Canadian Blood Services

## NEBMC Secretariat:

- Cheryl Doncaster, Director, Strategy Planning and Integration Management, Canadian Blood Services
- Laura Todd, Manager, Strategy Planning and Integration Management, Canadian Blood Services
- Amanda Cullen, Consultant supporting the NEBMC Secretariat
