

NAC STATEMENT ON FACTOR XIII CONCENTRATE USE

NAC FXIII CONCENTRATE WORKING GROUP:

Chair: Susan Nahirniak, MD

Members: Dana Devine, PhD
Alan Tinmouth, MD

Provincial Ministry Representative: Judy Hoff (Saskatchewan)

Original Date of Release: April 12, 2018

BACKGROUND:

Canadian Blood Services presently has available both a recombinant and a plasma derived Factor XIII concentrate.

RECOMMENDATION:

The NAC recommends that Canadian Blood Services issue Factor XIII concentrate to hospitals only for named patients with Factor XIII deficiency.
